Link and highlights

Screen HEX #44A67D  
R68 G166 B125  
Text links only

Screen HEX #333333  
R51 G51 B51  
Titles, headers & paragraphs

Screen HEX #FFFFFF  
R255 G255 B255

The Invotra colour palette has been created to reflect the personality of the brand. A combination of aqua green, white and black are used to convey an openness and focussed simplicity. Black is also used for type elements such as titles, headers and body copy.

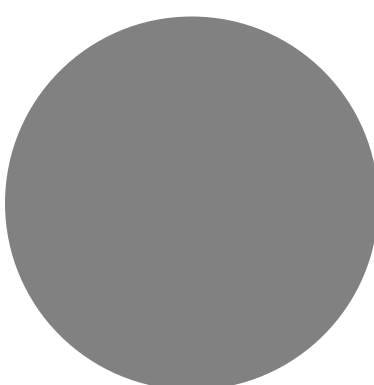

### Neutral colours

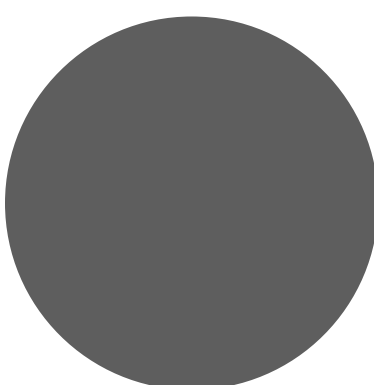

Screen HEX #F0EEE8  
R240 G238 B232

Screen HEX #E9E6E1  
R233 G230 B225

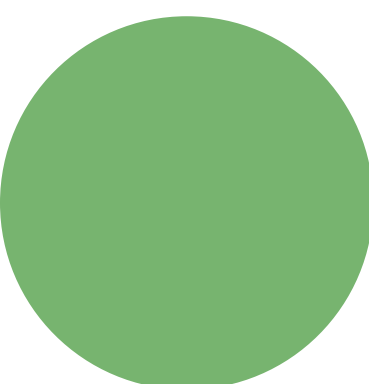

Screen HEX #818181  
R129 G129 B129

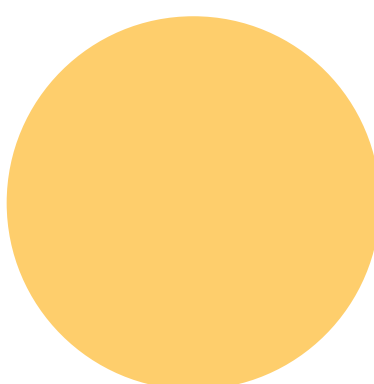

Screen HEX #5E5E5E  
R94 G94 B94

Light to dark grey range can be used for backgrounds, table elements, containers and navigational components.

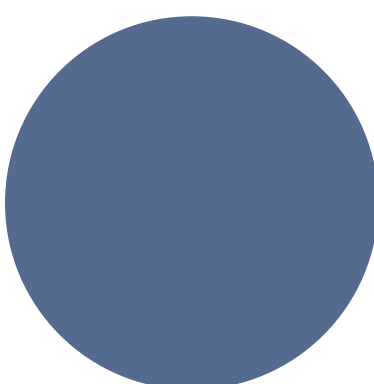

### Secondary colours

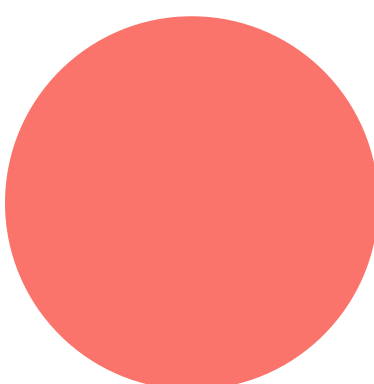

Success  
Screen HEX #77B46F  
R119 G180 B111
